COLOR PURPLE ~ *Georgia Grey tea, vanilla, lavender*

This tea latte twist on a London Fog is as beautiful a combination as Celie and Nettie themselves.

ZORA ~ *honey, cinnamon, brown sugar*

There are lattes that ask questions and lattes that answer. This one is the second kind.

MOMMA LORDE ~ *caramel, salt, brown sugar*

Just like Audre Lorde's exacting pen game, this customer favorite latte gives you just what you need every time.

LIFE OF CHAI ~ *turmeric, ginger, chai, honey*

Named for Yann Martel's novel, Life of Pi, this turmeric chai latte tells a story with every sip you take.

DARK PINES ~ *brown sugar, cardamom*

Named for the deeply unsettling Swedish noir series, this gently spiced latte will set you right.

LILAC GIRLS ~ *lavender, vanilla*

Delicate and floral, with a strong backbone of espresso, this latte will lift you up when the world gets you down.
